Title: Biology Teacher (Full time)  Reports To: Director of Academic Affairs

School Overview
New Beginnings High School (NBHS) is an innovative organization, transforming education through academic and social support services. Our mission is to create the best educational environment for students who are seeking a new beginning. We embrace a customer service philosophy with our students, who attend NBHS by choice.

Position Summary:
The Biology Teacher at New Beginning High School utilizes a blended learning approach that combines traditional classroom instruction with online instruction and activities. This model enables New Beginnings High School to offer a wide variety of courses and to increase the amount of self-directed learning that is so crucial to the post-secondary success of our customer.

Key Responsibilities:
- Manage all aspects of the blended learning classroom (Direct instruction methods combined with computer-mediated activities)
- Create a learning environment conducive to customer achievement and development through setting and maintaining high academic and behavioral expectations and a high standard of rigor
- Develop lessons aligned to Common Core Standards and present instructional content in an effective and engaging manner by implementing various techniques to target a range of learning modalities
- Enhance lessons through the use of varied and purposeful questioning designed to further customers’ understanding and encourage diverse modes of thought, including analytical, practical, and critical thinking
- Establish a positive, respectful, welcoming, and inclusive classroom environment
- Manage customer behavior through a positive behavior system that incorporates customer recognition and positive customer feedback
- Plan and collaborate with support staff for customers with individual differences and implement differentiated instruction to meet customer needs
- Develop and administer subject specific assessments for the purpose of assessing customer competency levels and/or developing individual learning plans
- Perform as test proctor as needed
- Assess customer progress toward objectives, expectations, and/or goals for the purpose of providing specific, high-quality academic feedback to customers, parents, school personnel and administration
- Direct para-professionals, volunteers and/or student workers for the purpose of providing an effective classroom program and addressing the needs of individual customers
- Facilitate committee meetings for committees assigned to, and report committee activities to supervisor
- Prepare for and participates in FTE reviews and other state sponsored audits, as requested
- Support recruitment, marketing, building community relationships, and retention by visiting the physical communities where our customers reside
- Oversees school marine biology garden program
- Participate in school meetings to gain and understanding of school programs and services
• May be required to teach elective courses, pilot new programs, participate in various projects
• Other duties as assigned
