Parents please join us on these nights to discuss your child's progress and academic success! It is important that our students/your child(ren) know we have his/her back and will do what it takes to help him/her achieve his/her academic goals. You will also learn about Title 1 Budget, PFEP & Compact, provide input, student progress reports, scholastic reports, and graduation requirements. Enjoy visits from local community agencies and businesses and a light meal.
